

Glen Hills Primary School

Overview of Year 2 2018/2019

Dear Parents,

This is the Year 2 Plan 2018/2019. It provides an overview of topics and information we will be planning to cover throughout each term and therefore provides you with the opportunity to work on some topics with your child that they will be looking at.

This plan is however only skeletal and not necessarily every aspect will be covered but it does provide a guide for parents and pupils.

Many thanks for your continued support,

T J Sutcliffe
Executive Head Teacher

AUTUMN	SPRING	SUMMER
GEOGRAPHY Holidays – Seaside Vocabulary – river, lake, mountain, valley, hill, canal, reservoir. 7 continents and 5 oceans of the world. Weather patterns- local, hot/cold places of the world in relation to the poles and the equator.Uk/Local area study- locate major cities. Trigger assessment. Contrasting area/compare to local area – St. Lucia (flag, photos, industry, way of life, map, climate) Maps, coordinates, globe, atlas, books, video. Resource pack of ideas. Stories from the Caribbean, poetry, Hue Boy, Fruits.	(Thematic Study) Pen Pals (Links to school in Scotland) Learn about Scotland to write a non-fiction report Ariel views. Follow directions Maps, globe, atlas, books. Express views on the environment – likes & dislikes, ways to improve it.	N / A

AUTUMN	SPRING	SUMMER
ENGLISH (Every lesson following the new National Curriculum 2014)		
For R.O.A. 3 samples of independent writing – Sep, Jan, May		World Book Day in March
Speaking and listening		
Opportunities to speak and listen to others (carousel work). Poetry reading/learning by heart. Children plan work alone and together. They are encouraged to express opinions. Use of CD player/ipad. Imaginative play – puppets. Play word / describing games. Rules and instructions. Listen to and respond to/ learn poems and stories. (S and L groups).		
Reading		
Guided reading. Also individual reading as often as possible. Comprehension. Develop a range of reading strategies. Discuss and review favourite books. Develop fluency, accuracy, expression and understanding leading to silent reading. Non-fiction books. Library skills. Poetry reading. Play reading. CD player /ipad. Group readers. A variety of Big books used at the start of Literacy lessons. Access to book corner. IWB resources Topic boxes to support topics.		
Writing		
Reports, journals, diaries, fact, fiction, non-fiction and creative writing linked to the new National Curriculum 2014. Topic and RE follow up writing. Punctuation/spellings taken from the new National Curriculum 2014. Short handwriting sessions throughout the week.		
Phonics		
Daily synthetic phonics lesson using LCP planning. Continue to use lessons and activities from Letters and Sounds (Rose Report) supported by Phonics Play website (ICT and IWB phonic lessons). Medium and weekly plans show work to be covered each term. Jolly Grammar spelling groups to continue from year 1 phonic groups		
Grammar		
Weekly grammar lessons using new Year 2 National Curriculum programme of study, introducing and developing use of grammatical vocabulary and rules.		
Spelling		
Linked to new Year 2 National Curriculum programme of study guidelines and linked to Read Write Inc. scheme.		

ICT <i>Internet (Oxford Owl website, ORT Stages 2-5, Purple Mash), iPads, chrome books, use of Junior Librarian system to scan books.</i>

AUTUMN	SPRING	SUMMER
MATHS (five lessons per week following the new National Curriculum 2014 - Maths)		
Two R.O.A samples (throughout the year).		
Count read and write whole numbers to at least 100 (extend to 1000) and know what each digit represents including 0 as the place holder. Add two 2-digit numbers, add three 1- digit numbers		
Describe and extend simple number sequences (including odd and even numbers). Counting on and back in ones and tens from any two digit number.		
Understand that subtraction is the reverse of addition; state the subtraction corresponding to a given addition and vice versa. Know by heart all addition and subtraction facts for each number to at least 10.		
Use knowledge that addition can be done in any order to do mental calculations more efficiently. Make comparisons using < >=symbols. Recognise £ p symbols.		
Understand the operation of multiplication as repeated addition or as describing an array.		
Know and use halving as the inverse of doubling.		
Know by heart facts for the 2, 5 and 10 multiplication tables.		
Estimate, measure and compare lengths, masses, and capacities using standard units; suggest suitable units and equipment for such measurements. Finding/writing fractions of quantities (and length) telling the time to nearest 5 minutes.		
Read a simple scale to the nearest labelled division, including using a ruler to draw and measure lines to the nearest centimetre.		
Use the mathematical names for common 2D and 3D shapes; sort shapes and describe some of their features(eg: edges, vertices)		
Use mathematical vocabulary to describe position, direction and movement. Measuring temperature in °C.		
Choose and use appropriate operations and efficient calculation strategies to solve problems explaining how the problem was solved.		
ICT Internet – (My Maths website, Purple Mash) Primary Graph, Primary Paint (symmetry), ITPs, Developing Number, Interactive Whiteboards Maths Games 1 & 2, 2Graph, 2Go
