Overview of Year 6 2018/2019

Dear Parents,

This is the Year 6 Plan 2018/2019. It provides an overview of topics and information we will be planning to cover throughout each term and therefore provides you with the opportunity to work on some topics with your child that they will be looking at.

This plan is however only skeletal and not necessarily every aspect will be covered but it does provide a guide for parents and pupils.

Many thanks for your continued support,

T J Sutcliffe
Executive Head Teacher
