

Symphony Learning Trust

Chair of Trust – Mr Nigel Harrison

Chief Executive Officer – Mr Tim Sutcliffe

Chief Financial Officer – Mrs Talvinder Tundall

Scheme of Delegation

The role of the Members:-

The Members of the Trust have a different status to Trustees. Originally, they will have been the signatories to the Memorandum of Understanding and will have agreed the Trust's first Articles of Association (a document which outlines the governance structure and how the Trust will operate). The Articles of Association stipulate arrangements for the appointment and removal of Members and Trustees. The Members appoint Trustees to ensure that the Trust's charitable objects are carried out. The Members will receive, from the Trust Board, an annual report on the performance of the Trust which includes the audited accounts.

Key responsibilities for Members of Trusts are:

- Ensuring the success of the Trust;
- Appointing Members and Trustees;
- Signing the Memorandum and Articles of Association;
- When Members should meet and how they can appoint and remove Trustees;
- Appoint the external auditors for the Trust;
- Approving any amendments made to the Trust's Articles of Association
- Holding the Trustee Board to account.

The Department for Education's (DfE) Governance Handbook states that it is clear that the role of Members in the running of any Trust is minimal and one of oversight; in Symphony Learning Trust Members have a limited and distinct role which avoids duplicating the role of the Trust Board.

While Members are permitted to be appointed as Trustees, in order to retain a degree of separation of powers between the Members and the Trust Board, and in line with DfE expectations, not all Members should be Trustees and in SLT, the limit is two. Members are not permitted to be employees of the Trust or to be related to employees of the Trust.

Members are tasked with assessing if the Trust Board is performing well and ensuring that the charitable object is being fulfilled.

The role of the Trustees:-

Trustees (within the terms of section 177(1) of the Charities Act 2011) are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the Memorandum of Understanding and Articles of Association. The Trust Board is the accountable body for the performance of all schools within the Trust and as such must:

- Ensure clarity of vision, ethos and strategic direction;
- Hold the Head Teacher team to account for the educational performance of the schools and their pupils, and the performance management of staff;
- Oversee the financial performance of the Trust and make sure its money is well spent.
-

Because Trustees are bound by both charity and company law, the terms 'trustees' and 'directors' are often used interchangeably, however, we use the term 'Trustee' in SLT.

The Trust Board is permitted to exercise all the powers of the Academy Trust. The Trust Board will delegate to the Chief Executive Officer responsibility for the day to day operations of the Trust. **The Trustees determine the Scheme of Delegation.**

The Trust Board has the right to review and adapt its governance structure at any time which includes removing delegation.

Trustees are responsible for delivering the three core governance functions, making key decisions and conducting the business of the Trust.

Trustees may do anything which is incidental or conducive to the exercise of their functions.

The role of the Chief Executive Officer (CEO):-

The CEO has the delegated responsibility for the operation of the Trust including the performance of the Trust's academies/ schools and performance management of the head teachers.

The CEO is the Accounting Officer and must ensure that the organisation is run with financial effectiveness and stability.

The CEO leads the Head Teacher team within the Trust. The CEO will delegate functions to the Head Teacher team and is accountable to the Trust Board for the performance of the Head Teacher team.

The role of the Chief Financial Officer (CFO):-

The CFO has the delegated duty for the day to day management of financial issues including the establishment and operation of a suitable accounting system and the maintenance of effective internal controls within the Trust.

The role includes ensuring that the annual accounts are properly presented and adequately supported by the underlying books and records of the academies/schools, with the preparation of monthly management accounts. The CFO must ensure all forms are completed, and agreed with trustees as necessary, and submitted to the DfE/ESFA in strict accordance with the timetable in the DfE guidance.

The role of the Executive Head teacher/ Head teacher/ Head of School:-

The CEO will delegate responsibility for the day to day management of academies/schools to the Executive head teacher/ head teacher. Where there is an Executive Head teacher, many of the day to day functions of running a school are delegated to a Head of School who is also performance managed by the Executive Head teacher. Executive Head teachers and Head Teachers are managed by the CEO. They report to the Trust Board via the CEO and also to the LGB on matters which have been delegated.

The role of the Finance and Audit Committee

The main remit for this Committee is to review the Trust's financial management and reporting arrangements, provide constructive challenge to the actions and judgements of management in relation to the financial reports prior to submission to the Board, notably :

- Review and monitor critical accounting policies and practices;
- Review the extent to which the financial statements are affected by any unusual or complex transactions in the year and how they are disclosed;

- Ensure clarity and transparency of disclosures;
- Arrange for implementation of significant adjustments resulting from any audit ;
- Compliance with accounting standards, DfE and legal requirements;
- Ensuring that each LGB effectively monitors the academy/school’s budget;
- Review and maintain the Trust’s Risk Register;
- Monitor the financial Key Performance Indicators (aka KPIs);
- Recommend approval to the Trust Board of any large capital project, in line with the Trust’s Finance Policy.

The role of the Trust/ LGB Liaison Forum:-

The Trust Board has established a Trust/ LGB Liaison Forum to facilitate two way communication. There is governor representation from each LGB in the Trust. A Trustee will chair this forum (usually the Chair of the Trust Board) and the CEO will be in attendance. All Trustees and Members are invited to attend.

The role of the local governing body (LGB):-

The Trust Board has established Local Governing Bodies which are subcommittees of the Trust Board. Trustees delegate authority to each LGB, (as set out in the chart below), but retain overall responsibility for each school in line with Government legislation and policy.

Trustees have delegated the responsibilities to each LGB to:-

- Ensure clarity of vision, ethos and strategic direction for the school;
- Hold the school leaders to account for the educational performance of the school and their pupils, and the performance management of staff;
- Oversee the financial performance of the school and make sure its money is well spent;
- Report to the Trust Board in relation to the performance of the school.
