Ratified by Trustees	20 th June 2018
Next Review Due	Spring 2020

For the purpose of this policy, the 'Head Teacher' refers to the Executive Head teacher, Head teacher or Head of School.

New technologies have become integral to the lives of children and young people in today's society, both within schools and in their lives outside school. The internet and other digital technologies are powerful tools, which open up new opportunities for everyone. These technologies can stimulate discussion and promote creativity, promoting effective learning. They also bring opportunities for staff to be more creative and productive in their work.

This Acceptable Use Policy is intended to ensure:

- that staff and volunteers will be safe and responsible users of the internet and other digital technologies.
- that school ICT systems and users are protected from accidental or deliberate misuse.

The school will try to ensure that staff and volunteers will have good access to ICT to enhance their work and improve opportunities for learners and will, in return, expect staff and volunteers to agree to be responsible users.

Acceptable Use Policy Agreement

I understand that I must use school ICT systems in a responsible way, to minimise the risk to my safety or to the safety and security of the ICT systems and other users. I will, where possible, educate the young people in my care in the safe use of ICT and embed e-safety in my work with young people.

For my professional and personal safety:

- I understand that the school will monitor my use of its ICT systems including email and other digital communications technologies.

Where these images are published (eg on the school website / VLE) it will not be possible to identify pupils by name, or other personal information.
- I will not use chat and social networking sites in school.
- I will only communicate with pupils and parents / carers using official school systems and in a professional manner. I will not share any personal information with a pupil (including personal phone numbers or email address). Nor will I request or respond to any personal information from a young person unless it is appropriate as part of my professional role.

- I will lock my screen or log off my computer should I leave it unattended.
- I will not allow a third party to access my work emails on my mobile phone or tablet

The school and the local authority have the responsibility to provide safe and secure access to technologies:

- When I use my personal hand held / external devices in school (PDAs / laptops / mobile phones / USB devices etc), I will follow the rules set out in this agreement, in the same way as if I was using school equipment. I will also follow any additional rules set by the school about such use. I will ensure that when connecting these devices to school ICT systems, they are protected by up to date anti-virus software and are free from viruses.

- I will not save any personal data to my personal computer.
- I will only use the recommended apps on my personal device for accessing data\emails via Office 365 or G-Suite.
- I will encrypt (Password Protect in most cases) my personal device if I use it to access school personal data or Office 365\G-Suite apps.

- I will not install or attempt to install programmes of any type on school systems, nor will alter computer settings, unless this has been authorised.
- I will not disable or cause any damage to school equipment, or the equipment belonging to others.

When using the internet in my professional capacity or for school sanctioned personal use:

- I will ensure that I have permission to use the original work of others in my own work.

- I understand that if I fail to comply with this Acceptable Use Policy Agreement, I could be subject to disciplinary action and in the event of illegal activities, the involvement of the police.

I have read and understand the above and agree to use the school ICT systems both in and out of school and my own devices (in school and when carrying out communications related to the school) within these guidelines.
