Useful Websites for Year 6 Revision

The BBC bitesize site has been updated and has many interactive games, quizzes and resources to support Maths and English

<http://www.bbc.co.uk/education/highlights/curations/z2gthv4> (English)

<http://www.bbc.co.uk/education/highlights/curations/zg6k82p> (Maths)

Woodlands school in Kent has a very useful site that has links to lots of games to develop skills and help with revision

<http://resources.woodlands.kent.sch.uk/maths/index.html>

<http://www.primaryhomeworkhelp.co.uk/literacy/>

Mr G Hammond has a youtube channel on which he has collected many old test questions and produced short videos on how to answer them. This link will take you to the overall guide to his Sats Boosters.

https://www.youtube.com/watch?v=0t-c_ZiexjM

All of the children have their own logins for the two sites subscribed to by the school.

www.mymaths.co.uk

This is purely a Maths site which contains lessons that a child can work through, homework activities and games to reinforce skills

www.educationcity.com

This site covers all areas of the curriculum and includes learning screens which will go over a topic and activities which test a child's knowledge of a particular area.

Past papers

<http://primarytools.co.uk/pages/pastpapers.html>

Past papers are available on several websites so that you can see the type of questions that your children may be asked. The tests were redesigned in 2016 so this is currently the only set of papers that give a reliable indication. However please do not use these with younger children as we use the papers as mock exams to give our pupils test experience.
