

Glen Hills Primary School Environmental Procedures Policy

Glen Hills is committed to minimising its environmental impact and improvement of the local, national and global environment in whatever way it can.

As a large organisation and employer, we will:

- Comply with, and where possible, exceed the requirements of all legislation, regulations and code of practice.
- Incorporate environmental factors with all decisions made
- Conserve natural resources through energy and water saving measures
- Purchase goods and materials which are manufactured, transported, used and disposed of in an environmentally friendly way
- Minimise the amount of wastage and promote recycling
- Ensure that this policy is widely communicated to all staff, governors, contractors, pupils and parents
